EDUCATION

Master of Social Sciences | January 2024 – November 2025

Department of Sociology, University of Dhaka, Bangladesh

Cumulative Grade Point Average (CGPA) 3.75 (out of 4.00), Ranked 5th out of 204 students

Thesis: [Safety Nets' Effect on Climate Vulnerable Women's Health: Internally Migrated from Northern Bangladesh](#)

Selected Coursework: Advanced Social Statistics; Research Methodology (Quantitative & Qualitative Design); Mixed Methods Research; Social Economics; Sociology of Built Environment

Bachelor of Social Sciences | January 2019 – October 2023

Department of Sociology, University of Dhaka, Bangladesh

Result: CGPA 3.64 (out of 4.00)

[Merit based scholarship](#), Ranked 6th out of 248 students (Top 3%)

Thesis: [Stigmatisation and Sexual Health Vulnerability Among Transgenders in Dhaka City](#)

Selective Coursework: Social Statistics; Sociology of Education; Social Economics, Globalization, Urban Governance and Planning; Population and Society.

TECHNICAL AND MANAGEMENT SKILLS

R: Data cleaning (tidyverse), regression modeling (glm), data wrangling, variable construction, ggplot2 visualization, reproducible scripts

Statistical Methods: Logistic regression, multivariate modeling, sensitivity analysis, robustness checks, Causal Inference (coursework exposure; currently developing proficiency in DiD and policy variation designs)

Software: SPSS, Excel, LaTeX, Adobe Illustrator, Microsoft Office Tools

Data Collection: Survey design, Kobo Toolbox, mixed-methods integration

RESEARCH EXPERIENCE

1) Mixed-Methods Evaluation of Social Safety Nets and Health Outcomes | Master's Thesis (Publication in Progress)

- Designed and implemented a convergent mixed-methods study (N = 120 households; 30 interviews; 6 FGDs) in urban informal settlements
- Cleaned and processed primary survey data in R; constructed key outcome and exposure variables from raw datasets
- Estimated multivariate logistic regression models (glm) examining health vulnerability while controlling for socioeconomic covariates
- Conducted model diagnostics and robustness checks, interpreted odds ratios and confidence intervals
- Generated regression tables and visualizations using ggplot2
- Integrated quantitative findings with qualitative field interviews

2) Ongoing Springer Nature Full Chapter Work | Digital Social Protection & Institutional Access in Urban Bangladesh

- Expands empirical analysis on digital governance and climate-displaced populations with Dr. Arif Perdana
- Conducts regression-based analysis on access to social protection systems and examines institutional barriers shaping digital welfare governance

PUBLICATIONS AND ACADEMIC SERVICE

- Samayel Audri, N., Akhter, S. (2025). *Safety Nets and Climate-Vulnerable Women's Health in Bangladesh*, Center for Policy Dialogue (selected for publication; based on [master's thesis](#))
- Samayel Audri, N., *Algorithmic Docility and Urban Marginality*, Springer Nature (forthcoming book chapter on digital governance and social protection access)
- Peer Reviewer, *Sexuality & Culture* (Springer Nature), 2025- Present

KEY POLICY AND ECONOMIC ANALYSIS

- [It's Time to Go for Evidence-Based Policymaking](#), *The Business Standard*, 2023
- Mentor & Lead Author, [Policy Position Paper](#) (Youth Policy Forum, 2026), Proposed **Deloitte-collaborative** seminar on geopolitics and domestic public policy risk
- Newsletter series including *An Analysis of U.S. Statements on Bangladesh (2008–2023)*
- [How Can We Unlock Connectivity Between Bangladesh, India, and Nepal? - A World Bank discussion](#), 2023

Data Driven Economic Analysis

- Labor Market Upgrading and Workforce Participation in Bangladesh – Policy Analysis Brief (2023)
 - Examined structural barriers to female labor market participation and wage segmentation
 - Analyzed industry-academia linkage shaping employment outcomes

- Economic Upgrading and Institutional Reform – Policy Background Note (2023)
 - Analyzed labor-market restructuring, wage segmentation, and institutional reform strategies
 - Examined workforce participation trends using secondary macroeconomic indicator

CONFERENCE PRESENTATION

■ **BUP National Research Project Conference (2022)**

Educational Background and Female Labor Market Prospects in Bangladesh

- Conducted statistical analysis (chi-square, Fisher’s exact tests) using SPSS
- Presented empirical findings on education–employment linkage

■ **7th Annual Bangladesh International Social Research (2022)**

- Presented qualitative work on gender and socioeconomic mobility conducting through thematic coding analysis

TEACHING AND YOUTH TRAINING EXPERIENCE

- Organized and facilitated policy consultations and town halls; collected and synthesized citizen feedback (interviews, FGDs, surveys) to inform program design and policy recommendations
- Led a governance-focused local development initiative; oversaw survey data collection and policy consultations connecting grassroots participants with local policymakers.
- Facilitated 11 leadership and SDG workshops and masterclasses (online and in-person), training 3,000 youth across 8 divisions; developed instructional materials and coordinated expert-led sessions (Dr. K. A. S. Murshid, Dr. Naomi Hossain)
- Delivered training sessions in collaboration with ActionAid, UNESCO, and UN Women, adapting content for diverse participant groups and translating policy concepts into accessible learning formats.

SELECTED PROFESSIONAL MENTORING EXPERIENCE: LEADERSHIP & PROGRAM COORDINATION

1) **Deputy Lead, Right Here Right Now (RHRN) Multi-Country Sexual Reproductive Health Rights (SRHR) Coalition** | June 2024 – February 2025 | **863,000+** youth engaged through data driven learning and policy programming, curriculum design and monitoring initiatives. Led strategic planning and cross-stakeholder coordination across national advocacy programs.

- Designed and deployed a [multi-channel SRHR survey \(n=579\)](#); conducted data analysis in R and translated findings into evidence-based program and policy recommendations.
- Led national SRHR learning program ([Beijing+30 curriculum](#), [nationwide youth survey analysis](#)), coordinated trainings and summits [culminating in a policy resolution](#) that translated learning into policy facilitation for students across 20 districts.
- Planned and facilitated a **national-level climate governance** workshop (Multiparty Advocacy Forum), engaging youth participants and policymakers in structured policy discussions
- Designed and structured a **2.5-hour self-paced SRHR course** on consent, gender equity, and reproductive health using scenario-based learning, interactive assessments, and structured learning outcomes for university-aged learners

2) **Mentor & Former Full-Time Staff - Youth Policy Forum** | Policy Research & Foreign Policy and Governance teams | Sep 2022 – Present

- Led [foreign policy research](#) including strategy paper and policy brief development, supervised outputs, and coordinated student research outputs and evaluation processes;
- Developed and implemented monitoring and evaluation (M&E) tools within training programs, integrating policy frameworks into applied learning modules.

3) **Fundraising, Monitoring & Evaluation Officer, Alokito Kori** (Nov 2020–Mar 2022)

Coordinated donor funding and conducted monitoring and evaluation for primary education programs targeting marginalized river gypsy communities’ students.

PROGRAM GRANT, DATA AND POLICY ENGAGEMENT

1) Grassroots Youth Advocacy Initiative – **ActionAid Bangladesh & Youth Policy Forum**

Aug 2025 – Jan 2026 | **4 regions in Bangladesh, 5 sectors** through documentaries

- Co-designed and led evidence-based grassroots advocacy pilot program integrating skills training and research in the areas of education, healthcare, environment and climate change, law and governance, and economy.

2) Youth Voice Mechanism (YVM) – **UNESCO**

|Jun 2025 – Ongoing| **8 Divisions in Bangladesh, 973 youth trained, 41 FGDs**

- Co-authored grant proposal, oversaw surveys and workshops and synthesized findings on youth governance outcomes

3) Blooming Lotus: Dhaka University Peace Café – **BRAC & UN Women**

|Nov 2022 – Apr 2023| **40 Madrasa (religious school) female students (direct beneficiaries) and 80 indirect beneficiaries.**

- Coordinated training for female Madrasa students on livelihoods, health, and peacebuilding by managing logistics and facilitating skills and empowerment workshops.

INTERNATIONAL ENGAGEMENT, TRAINING AND AWARDS

- Completed Aspire Leadership Program (ALP) and now in the ELP cohort, Aspire Institute, in collaboration with **Harvard Business School** Cohort 2026

- [Peace Ambassador Award 2022](#) international project accomplishment award by Center for Peace and Justice, UN Women and BRAC University Blooming Lotus Project on Female Madrasa (Religious Institution) Students.
- Diana Award – Crossroads Initiatives’ recognition for youth-led civic impact in education access.
- 2nd round of [UNESCO Youth Hackathon 2025](#) for a project on maternal health.
- Bangladesh’s Young Lead Representative, Asia Regional Fora – RHRN & ARROW, Indonesia (2024)
- Project Management & Evaluation Leadership (M&E), BRAC (Jul 2024).
